Wilson Middle School

Appleton Area School District

August 2, 2018

Dear Parents/Guardians,

The Boys and Girls Club of Wilson is committed to our mission of inspiring young people, especially those who need us most, to become caring, productive and responsible citizens. As we continue to strive to meet our objectives and the needs of our members, our after school program schedule will continue to run as follows:

3:20-3:30pm Sign-In
3:30-4:00pm High Yield Learning Activities
4:00-4:15pm Club Meeting
4:15-5:00pm PowerHour (Homework Help)/Groups and Clubs
5:00-6:00pm Open Areas
6:00 Club Closes

We have seen that this schedule helps us meet the outcomes set by the organization for the program. Please be aware that all members will be expected to follow this schedule and participate in all club activities.

To further help us reach the highest level of programming we ask that parents/guardians support us in the following:

1. In order for your child to gain the most from our program it is recommended that they stay until 5:00pm. This is not a requirement but it is supported by the Appleton Area School District.
2. Use of cell phones/personal electronic devices is not allowed during programming time (after 3:30pm). Members will be permitted to use their phones to contact parents with staff permission. Please attempt to have all after school plans made before program begins to help avoid disruptions.
3. The club closes at 6:00pm. Please have arrangements made prior to this time and have your child picked up by 6:00pm. The late fee will be strictly enforced in the coming year.

If you have any further comments or questions please feel free to contact us at the information provided below.

We look forward to a fantastic year.
