Paint the City Mural: Enjoy the view of the freshly painted mural on the Appleton Club walls off Lawrence St. This mural highlights what our organization is all about – kids! This year's mural was painted by local artist Neo Medina, along with support from a cohort of high school students from East, West, and North high schools. They were also joined by staff from AASD, Boys & Girls Clubs of the Fox Valley, and other community partners. Paint the City is a collaboration between Creative Downtown Appleton, Inc., Appleton Area School District, and Neo Medina.
