Introduction and Program Description

The 21st CCLC is an extended day learning experience for youth that ensures students are on-track academically, demonstrate good character, and live a healthy lifestyle.

Our goals are to improve students' physical/emotional safety, academic achievement, on-time grade progression, proficiency in math and/or reading, sense of belonging, connection to school/caring adults/peers, and to engage their family members.

Enrollment will be open to all students, though recruitment will target economically disadvantaged students, as 80.5% are below proficiency in Math and 84.5% are below proficiency in English/Language Arts. Teachers and parents will refer students who are having difficulty in school (poor attendance, poor academic performance, or behavioral issues). The CCLC will be a stable, safe, and supportive environment that provides academic enrichment activities, skill development programs, and educational events to help an average of 55 students each day develop as learners and meet state academic standards.

The AASD Board of Education, the Principal of Badger Elementary School, and the Director of the CCLC share student data with one another and the Wisconsin Department of Public Instruction to comply with federal and state reporting requirements. The principal communicates the data sharing requirements to the Board of Education, while schoolteachers and the CCLC Unit Director are responsible collecting and sharing the data with the principal during monthly team meetings. The principal will provide student data to the Boys & Girls Club staff and ensure that the public has access to the data via this program evaluation.

Typical Program Schedule

Check-In / Soft Landing	Healthy Habits Snack Program	Program 1	Program 2	Club (Choice)	Free Choice
3:15 - 3:45 Free Play (Outside, Gym)	3:45 - 4:00 Snack (MPR)	4:00-4:30 Power Hour (MPR)	4:30-5:00 K-2 Art (Art) 3-6 Math Games (MPR)	5:00 - 5:30 Animal Club (MPR) Tiger Facts/Activity Sports Club (Gym) Soccer	5:30 - 6:00 Free Choice
Tuesday 2/7/23					
3:15 - 3:45 Free Play (Outside, Gym)	3:45 - 4:00 Snack (MPR)	4:00-4:30 Power Hour (MPR)	4:30-5:00 K-2 Triple Play (Gym) 3-6 STEM (MPR)	5:00 - 5:30 Meditation Club (Gym) Cosmic Kids Yoga Game Club (MPR) Board/Card Games, Puzzles, etc.	5:30 - 6:00 Free Choice
Wednesday 2/8/23					
3:15 - 3:45 Free Play (Outside, Gym)	3:45 - 4:00 Snack (MPR)	4:00-4:30 Power Hour (MPR)	4:30-5:00 K-2 Triple Play (Gym) 3-6 Triple Play (MPR or Art)	5:00 - 5:30 HH S6: Choosing Appropriate Snacks Space Club (MPR) Galaxy Jars Drawing Club (Art) How to Draw...Teddy Bear w/ Heart	5:30 - 6:00 Free Choice
Thursday 2/9/23

Friday 2/10/23					
3:15 - 3:45 Free Play (Outside, Gym)	3:45 - 4:00 Snack (MPR)	4:00-4:30 Power Hour (MPR)	4:30-5:00 K-2 SMART Moves (Gym) 3-6 Art (Art)	5:00 - 5:30 Core 55: Assert Yourself Coffee Filter Flowers Dance Party Club (Gym) School Appropriate Just Dance Writing Club (MPR) February Writing Prompts	5:30 - 6:00 Free Choice

Evaluation Findings

Progress Towards Objectives

Statewide Goal #1: Safe, Supportive Environment

Goal 1: 100% of the staff in the program will complete the Child Safety and Sexual Abuse Prevention Training prior to working with children and will complete other required trainings within the first year.

All staff have completed Child Safety and Sexual Abuse Prevention Training along with ongoing trainings throughout the year.

Goal 2: In the 2023 National Youth Outcomes Initiative Survey, at least 30% of students in the program ages 9-12 will report having an Optimal Club Experience in the Supportive Relationships indicator.

32% of students at Badger Elementary report having an Optimal Club Experience during the 22-23 school year.

Statewide Goal #2: Challenge youth to develop as learners

Goal 1: ELA 70% of students will meet or exceed grade level standards in reading by the spring of 2023 as measured by iready or IRL

(scores not available)% of regular attendees in grades 3 through 6 achieved an increase in scores on the Forward Exam in Reading from 2022 to 2023.

Statewide Goal #3: Support development of other skills for success

Goal: 80% of students in the program will participate at least once per week for an average of four times per month in quality social and emotional programs.

Daily Social and emotional components are incorporated into activities as well as having a once per week dedicated social and emotional program.

Statewide Goal #4: Engage families in support of student learning

Goal: 80% of adult caregivers who complete the year end family survey will report feeling connected to the 21CCLC program.

Year end family survey results have not yet been made available.

Conclusions and Recommendations

The 21st CCLC at Badger Elementary has seen great progresses towards student participation in programs targeted at other skills for success outside of academics. The 2022-2023 school year showed 98% of attending students participated in at least one health and/or fitness-based program.

The findings brought forward from statewide goal #4 shed light on some very key goals for the 2023-2024 school year. Engaging families in the program through special events will be a key improvement effort for the coming school year.
